How does this change Voting?

- ❑ Due to district line changes, voters may now have a new polling site or **may not** have a polling site at all because they are too small (under 250 voters).
- ❑ Voters without a polling site are called Mail Precinct voters and are automatically sent a mail ballot if the area they are living in is having an election.

New District Maps and Precinct Maps

- ❑ With the help of Quad Knopf, a local engineering firm, Elections was able to revise the district maps and make new precinct maps.
- ❑ We also included new name and numbering configuration for the precincts.

Renumbering – new precinct numbers

□ New Numbers

- 6 Digit Numbering System, from 5.
 - 1st Digit is the Supervisorial District.
 - 2nd & 3rd Digits are the City, with 99 being the code for the County.
 - 4th Digit is for the City Ward or Division, if they have one.
 - 5th & 6th digits are consecutive numbers to identify the precinct.

Renumbering – new precinct numbers

- ❑ The numbering starts at the upper left hand corner of the County, goes across and down, like a page in a book.
- ❑ The City ID now corresponds to the Property System's Tax Rate Area numbers.

City ID Numbers

- ☐ 01 City of Dinuba
- ☐ 02 City of Exeter
- ☐ 03 City of Lindsay
- ☐ 04 City of Porterville
- ☐ 05 City of Tulare
- ☐ 06 City of Visalia
- ☐ 07 City of Woodlake
- ☐ 08 City of Farmersville
- ☐ 99 County

New Precincts Names

"Top 2" is New for California

- ❑ A Top 2 Primary allows you to vote for *any* candidate (for most races). Even if you are not in the same political party.
- ❑ The top 2 candidates – the ones with the most votes in the primary – will be on the General Election ballot in November regardless of party preference.

Is Top 2 different than the last primary election?

- ❑ Yes. Top 2 is new. It became law in 2010 when Proposition 14 was passed. Before Top 2, each party could have one candidate on the General Election (November) ballot for all party races.
- ❑ Now with Top 2, only two candidates get on the General Election ballot for most races – the two who got the most votes in the primary – no matter their party preference.

What does *party preference* mean?

- *Party preference* refers to the political party you – or the candidate – is registered with. It's listed under each candidate's name on the ballot. The word "none" appears for candidates who are *not* registered with a party. For example:

JOHN SMITH

Party Preference: DEM

JANE DOE

Party Preference: REP

CHRIS JONES

Party Preference: NONE

Do all offices follow the Top 2 rules?

- ❑ No. Top 2 applies to these voter-nominated offices:
 - U.S. Senator
 - U.S. Congressperson
 - State Senator
 - State Assembly Member
 - Statewide constitutional offices (such as Governor, which will be on the 2014 ballot).

Top 2 does **not** apply to elections for:

- ☐ President
- ☐ Party Central Committees
- ☐ County Supervisors
- ☐ City Councils
- ☐ Non-partisan Local Offices

Can the Top 2 candidates be from the same party?

- ☐ Yes:
 - Same party
 - Different parties
 - Or no party

If only 1 or 2 candidates run for an office,
will they still run in the June 2012 Primary?

☐ Yes

I am registered with a political party.
What will my June ballot have?

- ☐ Your party's candidates for President and possibly candidates for central committee
- ☐ All candidates from all parties for voter-nominated and nonpartisan offices
- ☐ State and local measures
