

Tulare County Public Health: Building a Healthier County Together

We Need Your Input!!

The Tulare County Department of Public Health invites residents of Tulare County to participate in our 2010 community health forums.

Each meeting includes

- a presentation of county health data & draft of strategic priority areas
- a group discussion to offer input about the strategic direction of the Public Health Department for the next 5 years.

Reduce Health Disparities
Place Matters
Build Community Partnerships
